**RE: Rob Scribner**

Terrebonne, Or

To Whom it may concern,

I have had the pleasure of knowing Rob Scribner for over 15 years. I worked for him in Kent, WA but most importantly I value him and his wife Sheri as great friends and business associates. My husband and I purchased a kite business from him 15 years ago and since then he has been a wonderful resource for knowledge and guidance.

Recently, We had the pleasure of sitting down with Rob to learn some internet marketing techniques and tools. This has been like nothing else we've ever seen. We were completely impressed with what Rob had done and his willingness to share and teach us how to use these techniques to make our business more successful.

We are already seeing results with just a couple of the tips he shared with us. Now I find out he would like to teach a class at your college. I can't recommend him enough. These techniques are truly cutting edge and would make a great class. Rob is sincere, honest and very knowledgeable. I would highly recommend him.

Feel free to call me if you have any questions.

Sincerely,

Monica Barber
